

# Build Your Own Manufacturing Workforce with Registered Apprenticeship

Join 200 companies including Mack Truck and Newport News Shipbuilding and locals from 10 unions including USW, IAM, and IBEW

Advanced manufacturing companies face **complex workforce challenges** in a competitive global marketplace. **Registered Apprenticeship** is a **proven solution** to recruit and build a world-class manufacturing workforce.

**PAMA** (Partnership for Advanced Manufacturing Apprenticeship) will help you build customized apprenticeship programs to **serve your specific needs**.

Why PAMA:

✓	Solve workforce challenges—recruitment and turnover	✓	Offer advancement opportunities for your workers
✓	Build your skilled workforce from within—now and for the future	✓	Connect with education and training providers
✓	Customize training for your specific needs	✓	Retain and build company expertise
✓	Access diverse talent pools for your hiring needs	✓	Get a great return on investment

What PAMA can do for you:

⊕	Build your customized program—all new or grow what you have	⊕	Develop selection criteria for apprentices
⊕	Navigate the apprenticeship system for you	⌘	Fund training start-up costs
⊕	Arrange for industry-recognized credentials for your workforce	⌘	Fund supports to keep apprentices on track
⊕	Identify training providers	⌘	Connect you with other funding opportunities

Create a tailored program in more than 50 occupations:

Electronics Technician

Industrial Manufacturing Technician

Machinist

Quality Control Analyst

Welders

Sheet metal workers

Plumbers and pipefitters

Industrial Machinery Mechanics
